

Procedura 5. Activarea autentificarii in doi pasi pe contul e-uvt.ro

IMPORTANT:

1. Aceasta este o operatie optionala, daca accesati contul e-uvt.ro doar din browser, pentru securizarea contului dumneavoastra.
2. Devine, insa obligatorie, in cazul in care doriti sa accesati contul dumneavoastra, de pe mobil, tableta sau un program de genul Microsoft Outlook.

In continuare simbolul  se va utiliza pentru a indica pozitia pe ecran unde se se cer introduceri de date sau confirmari.

In primul rand, se da click in partea din dreapta sus pe numele de utilizator sau iconita de forma din imaginea de mai jos. Acolo se acceseaza optiunea **Cont**

The screenshot shows a Gmail inbox interface. The top right corner displays the user's email address, 'web@e-uvt.ro'. A dropdown menu is open, showing the user's profile: 'Bogdan Nicolae bogdan.nicolae@e-uvt.ro (delegat)'. The menu includes options for 'Adăugați un cont' and 'Deconectați-vă'. A yellow notification banner at the top of the menu states: 'Acest cont este gestionat de e-uvt.ro. Aflați mai multe'. Below the profile information, there are links for 'Web Support', 'Cont', and 'Confidențialitate', along with a 'Înscrieți-vă la Google+' button. The inbox list below shows various emails from 'Echipa Universitatea de Vest din Timisoara', 'YouTube', 'Bogdan Perian', 'Gmail Team', 'Robert Szabo', 'accounts-noreply', 'Atlassian Bitbucket', 'Google Analytics', and 'lonel.crisan'.

In continuare, in fereastra nou deschisa faceti click pe tabul **Security**

Procedura 5. Activarea autentificarii in doi pasi pe contul **e-uvt.ro**

The screenshot shows the Google account settings interface. At the top, there are navigation tabs: **Personal info**, **Security**, **Language**, **Data tools**, and **Help**. The **Security** tab is highlighted with a black arrow pointing upwards. Below the tabs, there are two main sections. On the left, there is a promotional banner for Google+ with the text "Upgrade to Google+", "Google gets better with Google+.", and links for "Upgrade now" and "Learn more". On the right, there is a "Personal information" section with a sub-header "Personal information" and an information icon. Below this, there are two rows of information: "Name" with the value "Web Support" and "Primary email" with the value "web@e-uvt.ro". At the bottom right of this section is an "Edit" button. In the bottom left corner of the screenshot, there is a black-bordered box containing the text "Click pe tabul **Security**".

Signing in with 2-step verification

Signing in will be different

You'll need verification codes:
After entering your password, you'll enter a code that you'll get via text, voice call, or our mobile app.

Keep it simple

Once per computer, or every time:
During sign in, you can tell us not to ask for a code again on that *particular computer*.

Help keep others out

You'll still be covered:
We'll ask for codes when you (or anyone else) tries to sign in to your account *from other computers*.

2-step verification

Keep the bad guys out of your account by using both your password *and* your phone.

Click pe **Start Setup**

Start setup »

Verify your phone

1 — 2 — 3 — 4

We sent a text message to <nr telefon> with a code

Enter verification code

1.

Verification codes are 6 digits long.

« Back **Verify** [Didn't get the code?](#)

2.

1. Introduceti codul de 6 cifre primit prin SMS

2. Faceti click pe **Verify**

Trust this computer?

1 2 3 4

Trusted computers only ask for verification codes once every 30 days.

If you lose your phone, you might be able to access your account from a trusted computer without needing a code. We recommend that you make this a trusted computer only if you trust the people who have access to it.

1. Trust this computer
You can always change which computers you

Confirm

1 2 3 4

Turn on 2-step verification

You'll only be asked for a code whenever you sign in using your **web@e-uvt.ro** account every 30 days, on each trusted computer or device.

If you lose your phone, you can always change it in account settings.

The Google Apps SLA (Service Level Agreement) does not apply to any services that are used in connection with 2-step verification, if the verification process relies on third-party voice or data providers to deliver the verification code. Details of the agreement are available [here](#).

« Back Confirm

Click pe **Confirm** pentru terminarea activarii autentificarii in doi pasi.

Autentificarea in 2 pasi a fost activate si puteti inchide fereastra, pentru a reveni la mail.
