

SCRISOARE DE MOTIVARE

pentru susținerea candidaturii pentru mandatul de membru în Consiliul Facultății de Matematică și Informatică

Subsemnatul, Găianu Mihail, prin prezenta doresc să vă prezint candidatura la funcția de membru în Consiliul Facultății de Matematică și Informatică, pentru mandatul 2020–2024.

Sunt absolvent al Facultății de Matematică și Informatică, din cadrul Universității de Vest din Timișoara. Unul din motivele candidaturii mele îl reprezintă dorința de a aduce simplitate, transparență, eficiență și rigurozitate în activitățile desfășurate în cadrul facultății. Totodată, consider că mă caracterizează seriozitatea, perseverența, lucrul bine făcut și atitudinea pozitivă în față provocărilor și a vieții, în general. Întotdeauna voi susține că cinstea și sinceritatea primează în față corectitudinii politice și a fățarniciei contextuale. Îmbunătățirea profesională în activitatea didactică, în învățământul universitar, reprezintă o altă dimensiune a crezului meu academic. Ca și obiective, îmi propun să sprijin demersurile făcute de conducerea FMI în vederea atingerii scopurilor strategice și operaționale stabilite, precum și respectarea normelor de asigurare a calității, a eticii și a bunei conduite universitare.

DECLARAȚIE

Subsemnatul, lector univ. dr. GĂIANU MIHAIL, candidat pentru un mandat de membru în Consiliul Facultății de Matematică și Informatică din cadrul Universității de Vest din Timișoara, prin prezenta, declar pe proprie răspundere ca nu am fost lucrător sau colaborator al Securității.

Timișoara,

15.11.2019

JOB APPLIED FOR
 POSITION
 PREFERRED JOB
 STUDIES APPLIED FOR

Consiliul Facultății de Matematică și Informatică, Universitatea de Vest din Timișoara

WORK EXPERIENCE

February 2017 - present

Software Engineer
 ID Department
 Continental Automotive Romania SRL
 Automotive: Private Sector

February 2015 - present

Lecturer
 West University of Timișoara, Faculty of Mathematics and Computer Science, Department of Informatics, Timișoara, Bv. Vasile Parvan, No.4

- Name of lectures: Basics of Informatics, Graphics and User Interfaces, Processing Systems in Real Time, Computer Networks, Image Processing.
- Coordinator of Bachelor thesis and Master thesis.
- Participation and coordination of projects / grants

March 2010 – February 2015

Teacher. Public sector
Assistant
 West University of Timișoara, Faculty of Mathematics and Computer Science, Department of Informatics, Timișoara, Bv. Vasile Parvan, No.4

- Name of lectures: Basics of Informatics, Graphics and User Interfaces, Processing Systems in Real Time.
- Teaching seminars and laboratories for: Basics of Informatics, Graphics and User Interfaces, Processing Systems in Real Time, Computer Networks, Image Processing, Web Technologies, Security and Cryptography, Individual Project, Computer Architecture, Team Project.
- Coordinator of Bachelor thesis and Master thesis.
- Participation and coordination of projects / grants

February 2008 – February 2010

Teacher. Public sector
Junior Assistant
 West University of Timișoara, Faculty of Mathematics and Computer Science, Department of Informatics, Timișoara, Bv. Vasile Parvan, No.4

- Teaching seminars and laboratories for: Programming, Computer Networks, Image Processing, Web Technologies, Security and Cryptography, Individual Project, Computer Architecture, Team Project, Management of Informatics Systems, Computational Analysis.
- Participation and coordination of projects / grants

 Teacher. Public sector

EDUCATION AND TRAINING

- 2008-2011 **Phd. in Mathematics**
West University of Timișoara, Faculty of Mathematics and Computer Science, Timișoara, Bv. Vasile Parvan, No.4, Romania
 - Mathematics
- 2007-2009 **Master degree in Computer Sciences**
West University of Timișoara, Faculty of Mathematics and Computer Science, Timișoara, Bv. Vasile Parvan, No.4, Romania
 - Computer Sciences
- 2003-2007 **Bachelor degree in Mathematics and Computer Sciences**
- 1999-2003 **High school diploma**
Colegiul National "Gheorghe Lazar" - Sibiu
 - Science department – class of Informatics
 - Mathematics and Computer Sciences

PERSONAL SKILLS

Mother tongue(s) Romanian

Other language(s)

	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	C1	C1	C1	C1	C1
Replace with name of language certificate. Enter level if known.					
German	A2	A2	A2	A2	A2
Replace with name of language certificate. Enter level if known.					

Levels. A1/2: Basic user - B1/2: Independent user - C1/2 Proficient user
Common European Framework of Reference for Languages

Communication skills

Team spirit, ability to adapt to multicultural environments, good communication skills, good negotiator - acquired in teaching activities carried out from West University of Timișoara in collaboration with colleagues and students in the teaching and scientific activities undertaken in the country and abroad. Also these skills were acquired in the context of student activities as advisor and student senator at the West University of Timișoara, and in the ASSEUT student organization as director of projects.

Organisational / managerial skills

Leadership, organizational skills, good experience of project and team management acquired as project manager at the West University of Timisoara and R&B Consulting S.R.L., respectively:

Program/Project	Period:
Profesionalism pe piața muncii în Regiunea de Vest - R&B Consulting S.R.L.	2014-2015
POS DRU Grant – Host - FP7-REGPOT-CT-2011-284595-HOST	2012-2013
Assisted Methods in Mathematical Models (ACAMIMM) – ERA/2011/FP7/0028	2011-2013

Job-related skills

Mathematical skills acquired during the training, consisting of mathematical terms and concepts including the most relevant theorems of geometry and algebra, mathematical differentiation of different types of sentences (something is an assertion or assumption, etc), understanding the scope and limitations of a given concept knowledge of what is (or is not) a demonstration, mathematical proof. Teaching skills, teaching subjects formed as a result of programming, computer networks, security and cryptography, information systems management etc. at the Faculty of Mathematics and Computer Science, University of Timisoara, consisting of:

- capacity to know and understand the subject of education;
- ability to stimulate the creativity necessary for adapting to the new conditions arising during the ongoing educational / training actions;
- capacity to link the educational reality with the specific general intelligence;
- knowledge and ability to understand the student as intellectual, affective, motivational, volitional, reality;
- capacity of information transmission to different levels of understanding and applications exploited in a priority and formative way.

Computer skills

Competence in using computers effectively in all categories of peripheral interconnection with their adaptable, efficient use of programs and developed for industrial processes, business processes, human processes and socio-cultural processes involving and using the computer. These skills were acquired through initial training as a computer analyst and programmer experience as well as professor and researcher in the Faculty of Mathematics and Computer Science, at West University of Timisoara.

Other skills

During the period of general education, taking part to special classes I acquired skills in ballroom dance and painting history that later turned into hobbies. In the same formative way I can mention a good knowledge of classical music as well as of the main values from musical, composing and performing field.

Also, as a hobby I consider the perennial values of art and culture like painting, sculpture, photography, ballet, opera, symphonic music, popular music, different genres of pop, rock, literature etc.
